

Proficient Quality Sdn. Bhd. Proficient Quality Sdn. Bhd. was setup in 1998 with the objective of exporting all related furniture to the world market. Our manufacturing plant is located in Semenyih, Selangor Darul Ehsan, with a factory built-up of 70,000 square feet and a workforce of 100 skilled and semi-skilled workers.

PRODUCTS Initial designs have been made of the various types of single and double beds to be marketed under our own brand name. Other products that have been added into our product range are futon beds, bunk beds, folding beds, dining tables, garden furniture and occasional furniture. We also provide OEM service whereby we manufacture to buyer's design and specification.
